Kids Need Camp!

We are excited to host our annual golf outing to raise scholarship funds to help kids come to summer camp. This event enables us to offer financial help to families so their children can experience an awesome week at Pine Springs Camp. Now more than ever, kids need camp - thank you for making it a reality for so many families in our region. In addition, a portion of the funds raised will be used for investing in our summer staff.

Thank You Because...
