

Pine Springs Camp

"providing vital encounters with Jesus Christ since 1948"

SUMMER
2021

WELCOME PACKET 2

*Dear Campers,
We can't wait to see you
during the summer
of 2021!*

*Sincerely,
Pine Springs Staff*

Pine Springs Camp is a place to....

Explore, Grow, Belong, Learn God's

Word and Have Fun!

A Letter from our Executive Director

There has been one refrain that we have heard over the past several months - Kids need camp now more than ever! We could not agree more and we can't wait to see our campers again!

We are anticipating a very special season of summer camp this year. The combination of cancelling camp last year, months of lock down and ZOOM classes and minimal extracurricular activities has made this an unbelievably difficult year for families. While camp will look different in some regards, our mission remains the same - for every camper to have a vital encounter with Jesus Christ that leads to Christain growth and discipleship. For 73 years God has used the summer camp ministry to help campers understand that true belonging is found in a relationship with Him. We are very excited for this summer to celebrate the joy, fun, friendship and fellowship that can be found at Pine Springs Camp.

This is Welcome Packet 2.0 and contains a great deal of information to help our camper families plan and prepare for summer camp. In this packet you will find the following:

- a number of forms that you will need to complete and return to camp two weeks prior to your child's week of camp, either via mail or electronically.
- suggestions on how to pack for camp
- an explanation of our revised registration and pick-up procedures
- communication about our COVID-19 protocols and procedures.

As you review this packet, know that we are taking precautions to run camp as safely as possible. We have utilized the guidelines and recommendations of the American Camping Association and the CDC to develop our camp protocols. We are confident that each camper will experience an amazing week of playing and exploring nature, making friends and growing spiritually in the midst of an incredible faith community. We believe that this is what kids need now more than ever!

We realize that this summer will be different in many ways, especially for returning campers. Feel free to contact us with any questions or concerns. We are looking forward to welcoming you and your family back to camp. See you soon!

Blessings,

Greg Davis
Executive Director

What is in this Welcome Packet?

The goal of Welcome Packet 2 is to continue to update our campers and camper families on what they can expect during the summer of 2021. While there will undoubtedly be changes from past summers, we also want to update camper families and what is not changing at Pine Springs Camp. As is always the case, please feel free to call or email us with any questions you may have. As we have stated before, we are thankful and honored to have your trust in caring for your most cherished gifts, your children, so please understand that any changes we are making always have their safety and the safety of our staff in the forefront of our minds.

What is NOT changing at Pine Springs Camp!

Pine Springs Camp Mission- The mission of Pine Springs Camp is to “give every camper a vital encounter with Jesus Christ that leads to growth in Christian faith and discipleship.” This mission has been the cornerstone of why we do what we do. In the midst of many changes for this summer, camper families can be assured that their children will have a vital encounter with Christ during their week of camp!

AMAZING Staff- Every summer, God brings the most creative, zany, fun Christ-center staff to Pine Springs Camp to share Jesus with your children! This summer will be NO different. We have some amazing staff coming back and some new staff that are excited about being a part of the PSC family and helping us to fulfill our mission!

Awesome Program- We are committed to also making our program fun and exciting! Play is such an integral part of growing up and having a Christ-center program where kids can do that and laugh will always be something we strive to do. We want camp to be the highlight of a campers summer!

What IS changing at Pine Springs Camp!

Smaller Cabin Sizes- In an effort to make sure that all of our campers and staff are safe, we are decreasing our cabin sizes. There will be 8 campers per cabin. There will still be 2 counselors per cabin. We are excited for this change because campers will have the opportunity to get to know their cabinmates better and grow those friendships.

Pods- In an effort to have smaller groups and under the recommendation of the CDC and ACA (American Camping Association), PSC will be using “Pods” this summer. This will mean that campers will travel around more with the “Pod” (i.e. Cabin or Cabins depending on number of campers) than with their camp as a larger group. There will be larger group activities but these will involve social distancing and mask wearing.

Trip Day- Thursday morning at PSC have traditionally been marked by multiple buses in our parking lots and a large amount of bag lunches being prepared by our Timothy Team. This summer we have decided to not take any off-site trips (please know that this change will only occur for the summer of 2021), but instead create some new activities for Thursdays. The day will begin a little later than normal (9:00 a.m.), with breakfast on the breezeway where each cabin will have breakfast brought to their cabin. We will gather for a morning PSPN (Pine Springs Praise Night) and have some other fun activities throughout the day.

Registration Change- There will be a number of changes during our camp’s Sunday registration (Highlighted on page). In an effort spread out campers and their families, there will be a staggered registration. This will mean that each camp will have their own registration hour (1:00 p.m. to 2:00 p.m., 2:00 p.m.-3:00 p.m., 3:00 p.m. -4:00 p.m.). Times will be determined at a later date, but we will make sure to communicate with you when your child’s registration time will be.

Come home to Pine Springs this summer! Come home to a place where you belong! Come home to a community of fun and joy! Our theme this summer is...you guessed it- COME HOME!

The theme and Bible Interactions this summer will focus on the everlasting home that we have as children of God.

We will explore one of the most well-known and best loved parables-The Parable of the Prodigal Son. In this parable we will journey through the whole gospel message –touching on our true home, our inheritance, some things that keep us from God and the extravagant, crazy, mercy and love of our Heavenly Father. Of course we will end with a BIG party- because every true Homecoming deserves a celebration!

Come Home to Pine Springs this summer! We can't wait to see you!

Dear Parents,

We are excited that your children are “READY” to experience an amazing summer at Pine Springs Camp! We hope that your camper’s week at Pine Springs will be the highlight of his/her summer. We are excited that they are going to have a vital encounter with Christ through our summer theme, interactions with our counselors and have the time of their life!

We understand that getting prepared for a week at camp is important for both campers and parents. Below is a suggested list of ways to help prepare you and your family for camp. If you have any questions, please do not hesitate to call me at (814) 243-3398 or e-mail me at mike@pinesprings.org We look forward to seeing you this summer.

GET READY

- **Camp may be different:** Make sure to talk with your child about how camp **may** be different this summer. For more information about how things may be a little different, take a look at our COVID Information page.
- **How is your child feeling?-** The best thing you can do for your child in preparing them for camp is asking them how they are feeling. Campers go through a myriad of emotions as they get ready for camp from excitement and joy to fear and anxiety.
- **Familiarize yourself with Pine Springs-** Please go to our website (pinesprings.org) for more information and our Vimeo page (vimeo.com/pinespringscamp) to watch the many videos we have about camp. We hope by doing so you will get a sense of the wonderful blessing Pine Springs Camp is, the fun that is in store for your camper and the sense of an incredible community of faith that God forms each summer.

GET SET

- **Send in all required forms-** **For this summer, we are requiring that you send in all forms 2 weeks prior to camp.**
- **Alert camp office of any special food requirements-** You can inform us of any food allergies or dietary needs by completing the Food Allergy and Intolerances Form and the Counselor Communication Form. Please feel free to call or email the office (814-629-9834/ellie@pinesprings.org) and talk to Ellie Davis, our Food Service Coordinator, if you have any questions or comments regarding your campers food requirements. We will make sure that your child is kept away from foods they are allergic to, and we will accomodate dietary needs to the best of our ability; however, we also encourage parents to send supplemental food that we can store for campers.

PACKING APPROPRIATELY

- **Label ALL gear-** **Make sure that your child’s clothes, items and medications are labeled.** We ask that all of your child’s belongings are packed in some kind of plastic tote. Also make sure that your child knows exactly what they are bringing, so at the end of the week, they can make sure they have packed ALL their items.
- **ADDITIONAL PACKING DETAILS-** Here are some recommendations from the American Camping Association:
 - Bring a limited wardrobe to camp
 - Pack all belongings in plastic bins whenever possible
 - Send bedding in black plastic trash bags.
 - Upon arrival home, wash and dry clothing and bedding for as long as possible on the highest possible setting.
 - Items like shoes, Bibles, journals can be placed in a black bag and put in the sun for a day.
- **Arrange travel to and from camp-** Make sure you know exactly what time registration is for your child. Make sure you know what time to pick up your child. More information will be given to you during registration.
- **Camp Store Account-** Do not send money with your child. Please make sure that you prepay or you may add money to the camp store account during registration day. The recommended amount is \$15 for 3-day, \$25 for a 5-day camp and \$35 for a 7-day camp.

- Pack gear using the checklist provided in this packet.
- Pack self-addressed stamped postcards or envelopes so your child can write to you from camp. Although we discourage phone calls, letters are a great way for your child to keep in touch with you while they are at camp.
- Plan to send your child mail- A good idea is to write a letter or card and give it to one of the staff members during registration. We will make sure that your child receives it on their first night of camp. You could also put a note in their bag. Cards and letters are great, however we ask that you please do not send any care packages. Parents can also e-mail or fax letters to their kids. Our camper e-mail address is **psscsummercamper@gmail.com** and our **fax number is 814-629-6520**. We ask that a camper only receive one e-mail or fax per day from a family member only. Parents can send letters to the following address:

(Campers Name)
 P.O. Box 186
 Pine Springs Camp
 Jennerstown, PA 15547

- Pray! - Make sure that you sit down as a family and pray with your child as they get ready for camp.

Food Service at Pine Springs Camp

We take feeding campers very seriously at Pine Springs and we know that campers need adequate fuel in their bodies to be able to take full advantage of all of the crazy fun that happens each day. The kitchen staff loves their role in this ministry and strive to make every meal healthy, delicious and enjoyable.

So what will meals at camp look like this summer? Just like in other areas of camp, food service has been impacted by new COVID guidelines and recommendations. We have instituted more rigorous cleaning and sanitation protocols and have established some new methods of serving campers in a safe and enjoyable way. We plan on using every inch of the Refuge to space out tables, open the windows and keep the fans turning! We will also encourage cabins to enjoy meals on our deck or porch, or even go "old School" and have a meal in the A frame. We will also serve a few meals at other outdoor locales on camp, perhaps the pool, at a campfire, or in one of our spacious pavilions.

We are planning on serving meals family style, with a counselor acting as the server for the table. We will no longer provide a salad bar at lunch and dinner, but individual salads will be available for all campers. We will still offer cereal and oatmeal at breakfast, but will change the way we deliver it to tables. Rest assured, our menu is kid friendly and familiar and provides healthy choices for everyone. Our counselors are attentive to making sure that all campers are served and they will be aware of any allergies or food issues that need to be addressed.

If your camper has a food allergy or intolerance please complete and return the enclosed Food Allergy form. We look forward to feeding both the Body and the Soul of your child!

If you have any questions or concerns related to our food service, please contact Ellie Davis at ellie@pinesprings.org.

Adventure at Pine Springs Camp

Dear Camper Family,

We are so excited to welcome you back to camp in just a few short months! Now that the snow has melted and the grass is starting to grow again, my attention has turned to numerous outdoor projects and getting all of our adventure activities ready for campers. One special project that I'm particularly jazzed about is our brand new Group Problem Solving Course (GPS). It is a modern spin on several classic team building elements that is sure to present campers with a fun, challenging low ropes course experience like they've never had before! This linear, low impact activity will be located near the high ropes course and will be primarily geared towards our senior high/Expedition campers.

I'm sure you have so many questions about what camp will look like this summer. I can tell you that we are working diligently to create safety procedures and protocols for our entire program, including our adventure activities.

Our staff will be well-trained on cleaning, sanitizing and disinfecting procedures for high touch areas and we will place a heavy emphasis on regular hand washing and sanitizing. While masks will be required in certain areas, when physical distancing isn't possible, they will not have to wear a mask while climbing the rock walls or high ropes course. For answers to specific COVID-19 related questions please send us an email (info@pinesprings.org) or call our office (814-629-9834).

See you this summer!

Justin

MEDICAL/NURSE INFORMATION

We want to make you aware of some of our COVID safety protocols for this upcoming summer. If you have read our brochure or our first welcome to camp packet, you would have seen some of the more major changes. We wanted to take a moment and let you know of some of the day to day changes that we will be making at camp. First, each morning, campers will have their temperature taken by their counselor and it will be documented on a clip board in each cabin. Second, if a camper has a fever higher than 100.4 they will be immediately removed from the cabin and isolated until they can be further checked out by our nurse. When a camper spikes a fever of 100.4 or above a call home and parent or guardian pick up is required.

A very important part of our ministry is caring for campers who have various medical needs. Our desire is for each camper to experience a safe, fun and caring environment. This occurs many times through their interaction with our nurses. We take very seriously the task of providing quality care for your child. Therefore, it is mandatory that you complete the Medical Form and extremely important that you complete the Counselor Communication Form which goes directly to the camp counselor. Both forms provide information which will help us best serve your child. An RN or medical doctor will be on camp property during the week providing 24 hour care.

All camper medications must be turned in to the nurse during check-in and must be in the original containers. In addition to our camp medical staff, we also have access to a local medical doctor (only 5 minutes away) who provides additional professional advice. Emergency services are only 20 minutes from camp. You will be notified by the medical staff and/or a year round staff member in the following situations: your camper's injury requires emergency treatment; it is determined that your camper needs to see a doctor; your camper's fever is above 100 degrees and/or vomiting occurs; your camper's symptoms may be determined contagious according to the nurses professional judgment; your camper's symptoms and/or injury result in any physical harm. If treatment at either the doctor's office or emergency room is required, your health insurance will be the primary insurance.

In accordance with the HIPAA Privacy Act we are providing this information to give you an idea of how we share medical records among our staff. Please understand that the medical information that you provide Pine Springs is used strictly for the safety of your child. The following individuals will have access to your child's information: Executive Director, Summer Camp Director, Director of Adventure Education, Program Coordinators, Camp Registrar (these are all year round staff) and the Weekly Nurse. Some information may be shared with the camper's counselor if deemed necessary and appropriate. However, we encourage parents to provide any helpful information to the counselors by completing the Counselor Communication Form.

We retain your child's medical record and keep it on file. You may request the medical record at anytime. Please contact us with any questions. Please call us if there are any special medical concerns you may have regarding your child.

REGISTRATION AND CLOSING DAY INFORMATION

Pine Springs Camp strives to make the drop off and pick up process as easy as possible. We hope that the following information will provide answers to any questions you have about drop off and pick up. **Please keep in mind, this year we are asking that ALL of your forms are sent in to camp two weeks prior to your camp week.** We encourage you to label all your luggage with tags. If you have any further questions, please do not hesitate to call or email the PSC office at info@pinesprings.org or 814-629-9834.

Drop Off (Please read these carefully as things have changed for Covid this summer)

This summer will be a little different (see: A LOT) from past summers. Our desire is still for every camper and their family to feel welcome when they arrive on camp, but in addition we want to make sure everyone who sets foot on camp feels safe. Our updated registration plan will reflect on our desire to keep safety at the forefront of our minds and actions. We will be staggering check in so that each camp will have an hour timeframe. With times starting at 1:00 p.m., 2:00 p.m., and 3:00 p.m. **We also ask that only ONE parent/guardian accompany their campers for the check in process.**

WELCOME TO CAMP!

OUR SUMMER 2021 REGISTRATION PROCESS

One of the most memorable moments for our camp families is the Welcome they receive as they enter camp property. We can't wait until we welcome campers back again! This year the Registration Process will be different than in the past. We are developing the process where we can be as safe as possible. Please make sure you read COVID-19 Protocols and Procedures in this Welcome Packet which outlines details of how we are endeavoring to run camp as safely and fun as possible.

Please be reminded that we are requesting all forms except for the Family Agreement and COVID-19 Assumption of Risk Form to be completed and mailed or sent in TWO WEEKS prior to the start of your camp. This will make the registration process go more smoothly. Thank you in advance for your cooperation.

There will only be one parent or guardian allowed per camper during the entire registration process. Every camper and their parent/guardian must complete all STOPS. We are requiring that masks be worn, and social distancing occur during the entire registration process.

Each stop will be outside, however, in case of inclement weather, we will be prepared to move as many stops inside in spacious indoor spaces.

GREETING AND PARKING

Upon entering camp at the Refuge (Dining Hall) parking lot, you will be enthusiastically greeted by our Timothy Team at the entrance to the Refuge. You will be directed to a parking spot. This year it is important to not unload your luggage until after STOP 1!

STOP 1: Located on the Side Porch of the Refuge Building

- Campers and parent/guardian will be asked COVID intake questions and temperatures will be taken.
- The Temperature Check Chart will be reviewed and must be signed and turned in
- Verification of being fully vaccinated, receiving a negative COVID-19 test or verifying the camper's monitoring of symptoms was completed.
- Review and completion of signed Family Agreement and COVID-19 Assumption of Risk Form-Must be completed, signed and turned in.
- Receive a check list of the PSC Registration Process

After completion of Stop 1 you may go back to your vehicle and unload your luggage and then proceed to STOP 2.

STOP 2: Refuge Field (Tent)

- You will receive the camper's cabin assignment.
- You will check your luggage in and it will be tagged and separated according to the camper's cabin.

STOP 3: Under Front Porch of the Refuge

- A review of all needed paperwork and forms and an opportunity to complete any forms that may be missing or not complete.
- Camper Balances will be reviewed, and payments will be received if needed.
- A review of the amount in the Camper's Camp Store Account. Camper's will be given the opportunity to add money to their camp store account if so desired.

STOP 4: Front Porch of the A-frame

- Questions concerning any information on the Counselor Communication Form will be reviewed
- You will find out information about the camper's counselor from receiving the "Counselor Bio".
- Review the Camper Release information and complete a request if the parent/guardian desires to pick up their child early.
- Camper Pick-up information detailing when the camper should be picked up and details concerning the closing program (if there is one) will be distributed.

STOP 5: In front of the Nurses Station

- A Nurse (or volunteer) will conduct a simple health question screening and review the signed Medical Form will be reviewed for every camper. Questions about the camper's recent health, and immunization records and dates will be reviewed during this stop.
- For campers that do have any medications, they can proceed to STOP 6.
- Campers with medications must see a licensed RN who will review and record all camper medications that are to be taken while the camper attends camp. The nurse will also answer any questions parents may have.

STOP 6: At the Camper's Assigned Cabin

- The camper and their parent/guardian can make their way to the campers assigned cabin.
- The camper and parent will go to the cabin and may need to wait as we will follow safe social distancing protocols.
- They will be greeted by one of camper counselors and explain the process of getting the camper settled into their cabin.

Pick Up- 5-Day and 7-Day Camps (Please pay attention because our Check Out Process will be different.)

Similar to our registration process, Friday pick up for our 5-Day and 7-Day camps will be staggered. We will let you know at registration what time you can arrive to pick up your campers. Parents will be directed to park in the Refuge Parking Lot and are free to pick up their child's luggage, which will be divided by cabins. You will be receiving more detailed information at registration.

Pick Up (3-Day Camps)

ALL 3-Day camps will end on Wednesday and pick up will be at 12:00 p.m. Families will be directed to park in the Refuge parking lot and pick up your child's luggage. You will be receiving more detailed information at registration.

Summer Camp Packing Checklist

What follows is a suggested packing list for your child's week at camp. Please label ALL items!

Clothing

***modest at all times**
***clothes that can get dirty**
(Please use a Black Garbage bag for dirty clothes)

- ☐ 8-10 Masks
- ☐ T-shirts and shorts
- ☐ Long pants/sweatpants
- ☐ Extra socks and underwear
- ☐ One piece swimsuit
- ☐ Sweatshirt and/or jacket
- ☐ Laundry bag
- ☐ Sneakers
- ☐ Water shoes
- ☐ Raincoat/Poncho

Toiletries/ Bedding

- ☐ 2 Towels and washcloths
- ☐ Soap
- ☐ Shampoo
- ☐ Hairbrush/ Comb
- ☐ Toothbrush/ Toothpaste
- ☐ Shower Flip Flops
- ☐ Sleeping Bag (MUST)
- ☐ Pillow
- ☐ Fitted Twin Sheet (optional)
- ☐ Blanket (optional)

Special/ Other Items

- ☐ Bible
- ☐ Notebook and pen
- ☐ Water Bottle
- ☐ Flashlight
- ☐ Backpack
- ☐ Bug Spray
- ☐ Camera
- ☐ Stationery
- ☐ Medication
- ☐ Sunscreen

Items Not Allowed

- ☐ Cell phones/Video games
- ☐ Pets
- ☐ Alcohol, illegal drugs, etc.
- ☐ Fireworks/firearms
- ☐ Knives, hatchets or anything considered a weapon.
- ☐ Food items (gum, candy, etc.)
- ☐ Provocative clothing (bikinis, loose tank tops and underclothing without proper coverage)
- ☐ Personal Sports Equipment

Please note: Certain camps will require special items. You will be notified in advance of any special items that you need to bring.

Summer Camp Forms Checklist

Please take time to complete and return the following mandatory forms TWO WEEKS prior to your child's week at camp

- ☐ Medical Release Form
- ☐ Release of Liability Form
- ☐ Camper Release Form
- ☐ Counselor Communication Form
- ☐ Food Allergies/Intolerance Form
- ☐ Camper Covenant Form
- ☐ Swim Test Release Form (ONLY applies to Discovery Aged Campers- K-2)
- ☐ Temperature Check Chart (Completed)
- ☐ COVID-19 Assumption of Risk Form

COVID INFORMATION PAGES

Dear Camper Families,

In the following pages you will find our updated information regarding our COVID process and plans. We have appreciated your patience as we have finalized these plans and humbly ask for your continued patience as we put these plans into action going forward.

As has been stated numerous times, the safety of our campers, staff and families is our number 1 priority. We know and understand that these plans may not be perfect or even in agreement with how you have been living your life as a family. But please understand that we have sought the help of the CDC (Center for Disease Control), ACA (American Camping Association), CCA (Christian Camping Association) and numerous members of the medical community as we have been compiling this information.

Here is what you will find in the following pages:

- ❑ Health Screening COVID Procedures and Protocols
- ❑ PSC Policies at a Glance
- ❑ Temperature Check Chart
- ❑ Family Agreement and COVID Release Form

Health Screening COVID Procedures and Protocols Pine Springs Camp

Pine Springs Camp will be following certain protocols and guidelines that have been established by the ACA and the CDC. To be as safe as possible and to take mitigation precautions we are recommending the following measures be taken. Pine Springs Camp has the following protocols and procedures to minimize the risk of contracting COVID-19, however, the camper, parent or guardian must realize that there is a risk of contracting COVID by attending camp and each adult camper or parent/guardian must sign a Pine Springs Camp Family Agreement and Covid Release of Liability form to attend camp.

PRE-CAMP PROCEDURES

3 OPTIONS TO CHOOSE SO YOU CAN ATTEND CAMP

1. Be fully vaccinated.
2. Receive a negative PCR COVID-19 Test within 72 Hours of the start of camp.
3. Complete a 10-day period prior to the start of self-monitoring, quarantine, and Temperature Check Recording.
(This option is for non-adult campers, all adults must either do #1 or #2 above)
4. The CDC does not recommend getting tested again in the three months after a positive viral test if the person does not have symptoms of COVID-19. Campers who have had a positive viral test in the 3 months prior to the start of camp and have met the criteria to end isolation should have a letter from their healthcare provider documenting the positive test date and stating that the individual is cleared to end isolation.

OTHER PRE-CAMP INFORMATION

- If a camper develops any symptoms within 10 days prior to camp, the camper should not come to camp without receiving a negative Covid Test within 72 hours of the start of camp.
- If camper has any symptoms as outlined below within 72 hours (3 days) prior to the start of camp, camper must stay home, and every effort will be made to move camper to a later week of camp.
- Unless vaccinated for the COVID-19 virus, campers should make every effort to begin a health monitoring period 10 days prior to camp. Campers should physical distance, wear masks when not at home, avoid unnecessary travel and refrain from indoor social gatherings with people outside their households.

FOR ADULTS (Grandmas, Moms and Tots Camps and Family Camp)

I. Every adult that attends camp must either be fully vaccinated or provide negative COVID Test

- II. "Fully vaccinated" means that they received the last vaccine shot at least two weeks prior to the start of camp.
- III. If the adult camper is not fully vaccinated, they must receive a negative COVID-19 PCR Test within 72 hours before the start of camp.
- IV. In addition, if adult camper is not fully vaccinated, it is recommended that they quarantine themselves (limited contact with other than family members) between the time COVID test was taken and the start of camp.
- V. Proof of the negative test must be provided at Registration the first day of camp. Documentation must include the name of the medical facility/office/lab, then camper's name and the date the COVID-19 PCR test was administered.

FOR ALL CAMPERS 18 AND UNDER

OPTION #1-RECEIVE A NEGATIVE COVID-19 PCR TEST-72 HOURS PRIOR TO CAMP THEN SELF MONITOR UNTIL CAMP

- i. In lieu of the 10-day self-monitoring process described above the parent/guardian may choose instead for the camper to receive negative PCR test taken within 72 hours of the start of camp. A negative test result can be submitted instead of completing the self-quarantine 10-day period and taking the "Daily Temperature sheet".
- ii. Documentation must include the name of the medical facility/office/lab, then camper's name and the date the COVID-19 PCR was administered. Failure to provide required documentation will necessitate the camper not being allowed to attend camp.
- iii. The camper should practice proper monitoring and quarantine principles between the time COVID test was taken and the start of camp (3 days). Campers should physically distance, wear masks when not at home, avoid unnecessary travel and refrain from indoor social gatherings with people outside their households during this time.
- iv. Campers who did receive a negative COVID-19 test must also monitor and divulge if they experienced any COVID symptoms or were potentially exposed to a person that was COVID positive during the 72 hours.
- v. Campers who display symptoms within 3 days (72 hours) of camp should not come to camp!

OPTION #2-10 DAY HEALTH MONITORING, QUARANTINE AND TEMPERATURE RECORDING PERIOD

A. Recording Temperatures for 10 Days Prior to Start of Camp

- i. Beginning 10 Days prior to the start of camp the parent/guardian must keep a daily record of the temperature of the camper. The temperature must be recorded on the "Daily Temperature Sheet" provided by Pine Springs Camp and returned at registration. If a camper has a temperature of greater than 100.4 during the 10-day period, the camper should either not come to camp or must receive a negative COVID test.
- ii. Parents/Guardians are asked to do self-screening of campers for the presence of COVID related symptoms. In addition to a fever of greater than 100.4, symptoms such as coughing, shortness of breath, diarrhea, fatigue, headache, muscle aches, nausea, loss of taste or smell, sore throat, vomiting etc.
- iii. If camper has developed symptoms or has been potentially exposed, in close contact with a person with COVID-19, camper must stay home or receive a negative COVID-19 test within 72 hours of the start of camp.
- iv. In an effort to assess and communicate their intentions, the parent/guardian must notify camp if either or both of above situations occur.
- v. Campers who did receive a negative COVID-19 test must also monitor and divulge if they experienced any COVID symptoms or were potentially exposed with a person that was COVID positive during the 72 hours.
- vi. The camper should practice proper monitoring and quarantine principles between the time COVID test was taken and the start of camp. Campers should physically distance, wear masks when not at home, avoid unnecessary travel and refrain from indoor social gatherings with people outside their households during this time.

vii. Campers who display symptoms within 3 days (72 hours) of camp should not come to camp.

HEALTH SCREENING PROCESS AT CHECK-IN

Please review the document “Check in Procedure for Summer 2021” for a detailed description of the process. Here is some important information that concerns the Check in Process this summer.

- Only one parent or guardian should come to check in and go through the registration process with the registered camper. For the safety of campers and staff we are limiting the number of extra family members and guests on camp property. This will also assist us in running a less congested, easier to social distance and safer registration process.
- We will do an initial Health Screening of all people who will be on camp property during check-in. This includes parents/guardians, registered campers and other family members who are present at check in and on camp premises.
- All persons that are on camp during registration are expected to always wear masks whether indoors or outdoors.
- Upon arrival both camper and the parent/guardian must report to STOP 1-where they will be given a COVID Health Screening including taking temperatures, checking the Temperature and Pre-Camp Health Screening Chart, and asking the intake questions.
- If a camper has a temperature of greater than 100.4, they will not be allowed to come to camp.
- If all documentation is complete and the camper, parent (family) passes the Health Screening, they will then proceed to STOP 2 of the Check in Process-Registration, Balance and Camp Store Information.
- Every camper will then proceed to STOP 3 where they will hand in paperwork and learn more about the camper's counselor.
- Every Camper will need to see the Nurse at Stop 5 to receive additional information of camp medical and COVID procedures and safety reminders of how to be as safe as possible while at camp. In addition, parents will be able to check in any medications with the camp nurse if applicable.

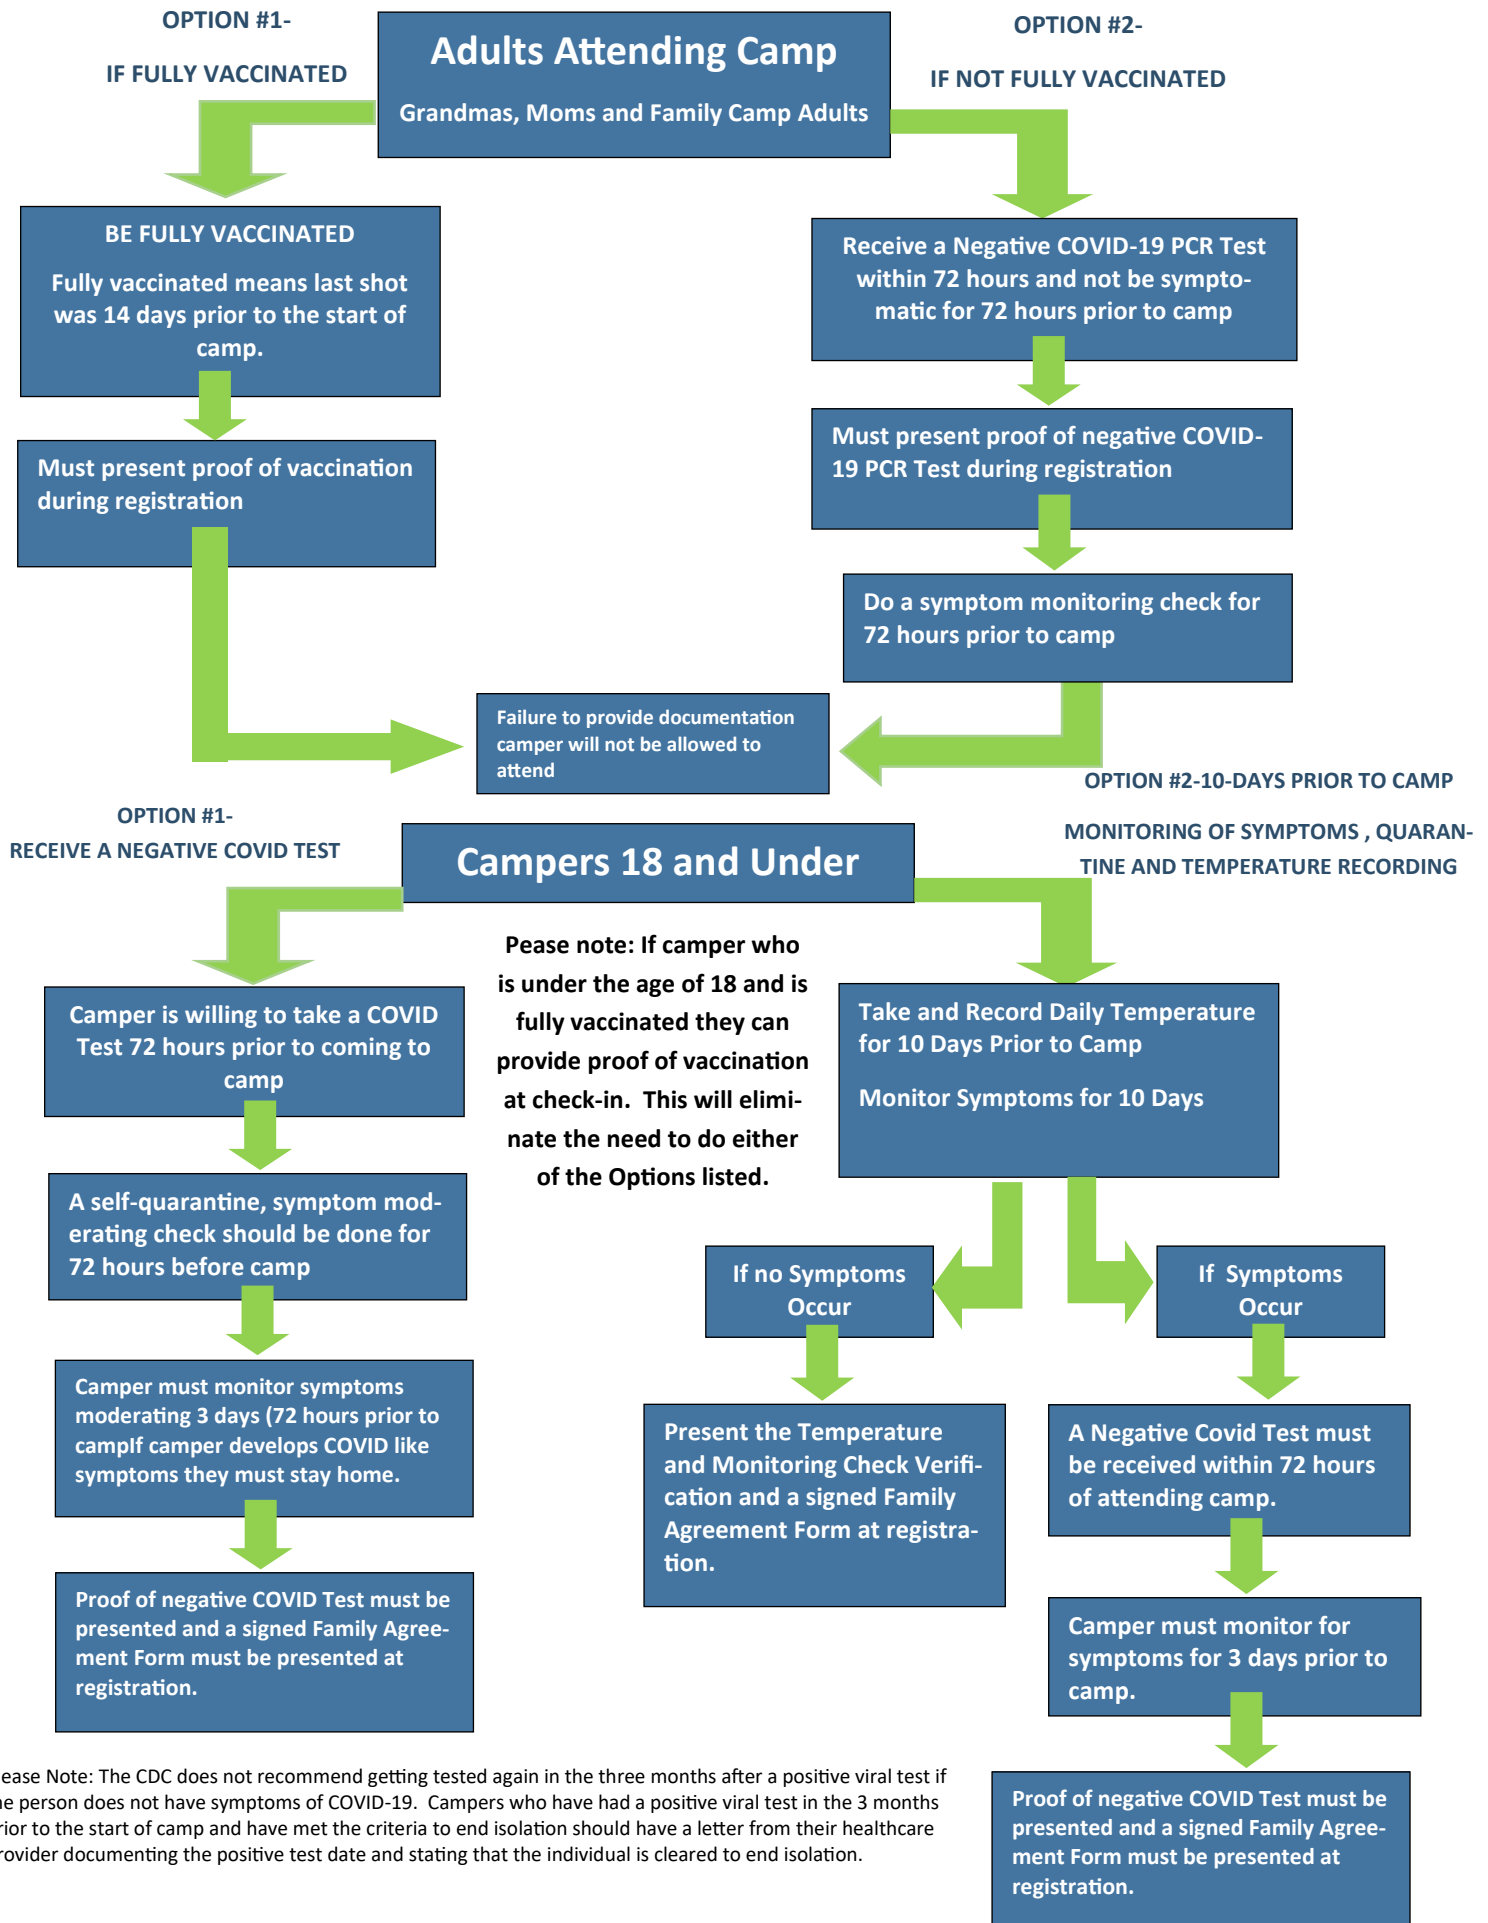

HEALTH SCREENING PROCEDURES DURING CAMP

- Every camper will have their temperature checked and recorded in the morning prior to breakfast. Temperatures will be taken in the cabin.
- If a camper has a fever or displays any COVID like symptoms the camper will be quarantined with supervision, parents will be notified, and procedures outlined in our “Camper/Staff Who Display Symptoms Policy” will be followed.
- In consultation with the Camp Nurse, A Year-round Camp Director and the parent a decision will be made which may include sending the camper home.
- Other safety protocols will be implemented which are designed to mitigate the possibility of COVID being spread.

AFTER CAMP HEALTH SCREENING AND MONITORING PROCEDURES

- Upon returning home from camp, we ask that parents/guardians continue to monitor the health and wellness of campers for 7 days.
- If there is any noticeable COVID symptoms we recommend calling a physician and being tested for COVID as soon as possible.
- If camper is diagnosed with COVID-19 the parent must call and notify Pine Springs Camp immediately.

Pine Springs Camp Pre-Camp Protocols-What You Must Do to Attend Camp!

PSC COVID-19 POLICIES AT A GLANCE

We are excited to have Summer Camp at PSC once again after a year hiatus. Please know that we are establishing safety measures and protocols to minimize the risk of contracting COVID-19, in adherence to guidance from the CDC and the American Camping Association. The safety protocols and preventative measures that Pine Springs Camp is taking are listed below. We trust that this summer will be one where campers will have a life-changing week of being outdoors, growing spiritually, and experiencing a life-giving community of faith. Pine Springs Camp has established these guidelines in adherence to the American Camping Association's, "Field Guide for Camps on Implementation of CDC Guidance" and recommendations by the state of Pennsylvania. The following protocols are established to be as safe as possible; however, parents, guardian's and/or campers must assume the risk of the possibility of contracting COVID-19 by attending camp.

HEALTH SCREENING

We are requiring all summer staff to be tested for COVID-19 prior to camp unless they are fully vaccinated against COVID-19. Given the trends, we anticipate that a high percentage of our staff will be fully vaccinated by the beginning of the summer. There is a requirement for all adult campers to either be fully vaccinated or be tested prior to coming to camp. For our campers under 18 years old they can either do temperature checks and monitor for COVID Symptoms 10 days prior to camp arrival or receive a negative COVID Test within 72 hours of camp. In addition, temperature checks will occur upon arrival at camp, and every camper and staff will have their temperature taken daily while at camp.

OUR "PSC-PODS"

Campers will be part of a "POD" of up to 20 individuals who live, eat meals, and participate in activities together with the goal of keeping PODS separate from one another. Typically, PODS will consist of two cabin groups within the same camp. If PODS are assembled together, physical distancing between PODS will be enforced. If physical distancing between PODS cannot be accomplished, masks will be required.

OUR MASK POLICY

We would like campers to bring 8-10 masks for a 5-day camp experience that are clearly marked with each camper's name. Masks will not be required while sleeping, for many outdoor activities while the campers are within their POD, nor while eating. However, if there is a prolonged period where physical distancing of 3-6 feet cannot be maintained within the POD, masks will be required. Masks also will not be required for campers and staff when inside their cabins unless a prolonged period where safe distancing of 3-6 feet cannot be maintained. Masks will be required in all indoor facilities when a distance of 3-6 feet between individuals cannot be maintained. Masks will also be required while the camper is up from their table in the dining hall.

PHYSICAL DISTANCING

SOCIAL DISTANCING

Camp is structured around outdoor play and exploration, and we will plan as many activities as possible outside. We will plan activities for times of less close contact than a typical week at camp. When campers are within their POD safe distancing will be encouraged as much as possible. If there is a prolonged period where physical distancing cannot be maintained within the POD, masks will be required. In addition, PODS will be separated as much as possible. If PODS are combined, social distancing between the PODS will be required. Masks will be required if social distancing between PODS cannot be maintained.

CABIN TIMES

Cabins at Pine Springs Camp are large and spacious. In addition, each cabin has many windows and ceiling fans which will allow for proper and very adequate ventilation. Masks may be required when campers cannot maintain a prolonged period where safe distance of 3-6 feet cannot be maintained. We are limiting the number of campers in each cabin to no more than 8. This will allow for ample space between each camper while they are sleeping. The minimum distance as we space campers out will be at least 7 feet (head-to-head) while they are sleeping. The rest-rooms in each cabin are also large and ample to accommodate campers. There will be a limit of no more than three campers allowed in the bathrooms at a time.

HANDWASHING AND SANITIZATION

Proper handwashing has been proven to be the most effective way to reduce the spread of viruses. We are increasing the number of handwashing stations across camp. We will have hand sanitizer stations in every cabin and building on camp. Signage will be prominently displayed throughout camp. Increased measures of cleaning and disinfecting will be a priority. Frequently touched surfaces will be cleaned daily, more often in high traffic areas like the Refuge Dining Hall. We will operate our dining facilities with cleaning and sanitation guidelines from the ACA, CDC, and the Pennsylvania Department of Health. Use of shared objects (e.g. art supplies, toys, games) will be limited when possible or cleaned between use.

ACTIVITY PROGRAM MODIFICATIONS

Our ability to put together an amazing program for our Summer 2021 campers will NOT change. However, there will be some modifications to our activities. We will either not play or we will modify games and activities that are considered close or high contact. Games like Gaga Ball and Nine Square will still be utilized throughout the summer, but campers will play these games on a schedule basis and only with their POD. Our Support Staff who lead activities, who are not a part of a Camper POD, are required to wear masks when leading the activity. All items will be cleansed and sanitized prior to and after use. While meals will still happen in the Refuge, singing will be done at outdoor locations where social distancing can more easily occur.

Pine Springs Camp's first responsibility has been – and continues to remain – the health and safety of our staff, volunteers, guests, and campers.

**Thank you for your support, understanding, patience and encouragement of this ministry.
We look forward to having every camper find a sense of belonging and purpose as we
focus on the love of our Heavenly Father!**

TEMPERATURE CHECK CHART-PRIOR TO CAMP

Must be completed and turned in during the check-in process. Campers will not be allowed to attend camp if this form is not completed and signed.

Pine Springs Camp
Pre-Camp Camper and Family Agreement and COVID-19 Assumption of Risk

Pine Springs Camp has to the best of our ability developed procedures and policies that align with recommendations established by the American Camping Association (ACA) and the Center for Disease Control (CDC) for a safe and healthy overnight summer camp experience. We cannot operate without your partnership and investment in seeking to provide a safe as possible camping experience for campers, staff and families.

We ask that each parent, guardian or adult camper review and abide by the policies and procedures that we have developed pertaining to pre-camp procedures to reduce the risk of contracting and/or spreading COVID-19.

Camper and Family Pre-Camp Agreement

We have abided by the following Pre-Camp Procedures. (Check all that apply)

- My child's temperature was taken and recorded for 10 days prior to camp and the Temperature Form is completed and signed. My child did not have a temperature of greater than 100.4 at any time during the 10-day period.
- My child did not develop any COVID-19 symptoms during the 10-day period.
- My child practiced social distancing, wore a mask when not at home, avoided unnecessary travel, and refrained from indoor gatherings with people outside their households during the 10-day period.
- I chose (or due to symptoms being present) for my child to receive a PCR COVID-19 Test and the result was negative. The test was taken within 72 hours of the start of camp.
- My child practiced social distancing, wore a mask when not at home, avoided unnecessary travel and refrained from indoor gatherings with people outside their households for the period of 3 days from the time the PCR COVID-19 was administered to the start of camp.
- The CDC does not recommend getting tested again in the three months after a positive viral test if the person does not have symptoms of COVID-19. My child/I have had a positive viral test in the 3 months prior to the start of camp and have met the criteria to end isolation and have provided a letter from a healthcare provider documenting the positive test date and stating that the individual is cleared to end isolation.
- I have read and reviewed the Pine Springs Camp COVID-19 Policies and Procedures with my child.

Coronavirus / COVID-19 Assumption of Risk

Pine Springs Camp has taken enhanced measures for the health and safety of our campers. Coronavirus, COVID-19, is an extremely contagious virus that spreads easily through person-to-person contact. Federal and state authorities recommend social distancing as a means to prevent the spread of the virus. COVID-19 can lead to severe illness, personal injury, permanent disability, and death. Participating in PINE SPRINGS CAMP INC programs or accessing PINE SPRINGS CAMP INC facilities could increase the risk of contracting COVID-19. PINE SPRINGS CAMP INC in no way warrants that COVID-19 infection will not occur through participation in PINE SPRINGS CAMP INC programs or accessing PINE SPRINGS CAMP INC facilities. By sending your child to Pine Springs Camp, or if you as an adult of 18 years or older as a camp participant, you voluntarily assume all risks related to exposure to COVID-19.

By signing below, you acknowledge that you have read our guidelines and the assumption of risk statement and to the best of your knowledge you have met, agree to, and will abide by all the requirements before dropping your child off at camp or participating in camp yourself.

Camper Name: _____ Age of Camper: _____

Camp Name: _____ Camp Date: _____

Parent/Guardian/Adult Signature _____

Date: _____

Release of Liability Form

Without this completed form your child will not be allowed to participate in any camping event

Warning: There are significant elements of risk in any adventure, sport, activity, or training associated with a climbing wall, ropes course, or other camp programming (referred to herein as “activities”), and the use of any equipment. Activities include, but are not limited to; mountain biking, archery, canoeing, swimming, low and high ropes, course elements, climbing tower, caving, and zip line. Activities take place on and off Pine Springs Camp’s facility.

Acknowledgement of Risks: I/my child recognize the fact that there is an inherent danger in these types of activities, even though safety systems are provided. These risks may result in serious injury or death, and include but are not limited to: 1) Falls; 2) Risk associated with climbing or down climbing; 3) Equipment failure; 4) My child’s and/or other children’s physical condition, sense of balance, decision making, and the ability to follow or give directions; 5) Failure on my/my child’s part to disclose a medical condition and/or physical activity concern that my child may have. I/my child also acknowledge that certain foreseeable and unforeseeable events can contribute to the unpredictability of the activity, such that personal property may be damaged or lost, and that wearing appropriate clothing and footwear are basic safety precautions; 6) Risk associated with transportation to off site activities; 7) Risk associated with participating in aquatic activities.

Express Assumption of Risk Responsibility: In recognition of the inherent risks of the activity that I/my child will engage in, I affirm that I/my child is physically and mentally capable of participating in the activity and/or using equipment. I realize it is my/my child’s responsibility to inform the camp staff of any and all medical conditions and/or physical activity concerns I/my child may have, and to limit my/my child’s participation in any way I/my child deem appropriate. I/my child participates willingly and voluntarily and I/my child assume full responsibility for personal injury, accidents or illness, including death, and any expenses as a result of any accident that may occur.

I/my child voluntarily and knowingly assume the risk(s) of personal injury, accidents and/or illnesses, including, but not limited to sprains, torn muscles and/or ligaments; fractured or broken bones; eye damage; cuts; punctures, wounds, scrapes, and abrasions; spinal injuries; animal bite or attack; insect bite or allergic reaction; shock; paralysis and/or death; and acknowledge that during the activity I/my child may experience fatigue, chill and/or dizziness that may diminish my/my child’s reaction time and increase the risk of an accident.

Covenant of Good Faith: I/my child recognize that you, as provider of services, will operate under a covenant of good faith and fair dealing, but that you may find it necessary to terminate an activity due to forces of nature; medical necessities or problems in the group; and/or refuse or terminate the participation of any person you judge to be incapable of meeting the rigors or requirements of participating in the activity. I/my child accept your right to take such actions for the safety of me/my child and/or other participants. I/my child acknowledge that no guarantees have been made with respect to activity objectives.

Authorization: I hereby authorize any medical treatment deemed necessary for me/ my child in the event of any injury or illness while participating in the activity. I/my child either have appropriate insurance or in its absence, agree to pay all costs of rescue and/or medical services as may be incurred on my/my child’s behalf.

Release: In consideration of services or property provided, I, as legal guardian, my child, any heirs, personal representatives or assigns, do hereby release: Pine Springs Camp, Inc., its principles, directors, officers, agents, employees, and volunteers, and each and every land owner, municipal and/or government agency upon whose property an activity is conducted, from all liability.

I have read and understand the foregoing acknowledgement of risk, express assumption of risk responsibility, and covenant of good faith and release of liability. My child and or I understand that by signing it is intended also to bind our heirs, representatives, executors, administrators, successors and assigns. I also give permission for me/my child to participate in the entire camp program; to travel in camp vehicles for off camp property trips.

Camper Release Form

It is our greatest desire to care for the safety of your child. Therefore, we are concerned that your child is released, at the end of their time at camp, into the care of a parent/guardian or someone you wish to designate.

INSTRUCTIONS:

- A. Complete section 1 with your camper's name and the name and dates of the camp attending.
- B. Next, please identify individuals authorized to pick up your camper along with your signature, date and phone number.
- C. **IMPORTANT – DO NOT fill out section 2. It is to be completed the day of pick-up.**
- D. Both parents are able to pick up child unless noted on this form.
- E. Return this form along with the Medical Form, Camper Covenant and Liability Form.

SECTION 1

To be completed by a Parent or Guardian

CAMPER NAME: _____

CAMP NAME: _____

CAMP WEEK: _____ DATES: _____

I authorize these individuals to pick up the camper listed above:

1. _____ Cell Number _____

2. _____ Cell Number _____

Please do not release my child to: _____

Signature: _____ Date: _____ Phone: _____

(parent or guardian)

SECTION 2

This section will be completed at pick up.

Signature of person picking-up camper: _____

Date: _____

If the person signing above is not authorized to pick up camper, we will contact the parent/guardian for permission prior to the camper being released into the custody. Identification will be required. (Please read carefully and complete both sides of this sheet as directed.)

Food Allergies/Intolerances Form

Pine Springs Camp makes it a priority to provide campers and retreat guests with healthy and delicious food for the duration of their stay. We recognize that individuals who have allergies and food intolerances need accommodations to ensure that they stay safe and healthy while eating away from home. To that end, it is critical that we get as much information as possible to ensure that we can do our best to accommodate special dietary needs. Please return this form at least two weeks prior to your child's stay at camp. You may also contact the camp for a tentative menu. Ellie Davis, our Food Service Coordinator, is available to discuss any questions or concerns and can be reached at pscretreat48@gmail.com or by calling the camp office at 814-629-9834.

Please complete the following form ONLY if your child has any food allergies or intolerances.

Camper Name: _____

Week of Camp they are attending: _____

Camp Name: _____

Contact Information: _____

Parent/Guardian Name: _____

Contact Phone: _____

Relationship to Camper: _____

Food Allergies/Intolerance

Please list allergies/intolerances and their severity:

We are able to accommodate most common allergies and desire to provide food that is safe and familiar to campers. Families are welcome to send supplemental food for a child with very specific needs (for example: prefers only a certain kind of gluten free pasta or almond milk etc.). Unused food can be picked up at the end of the camp session. This information will be given directly to the Food Service Coordinator. You will also need to include this information on the general health forms required by the camp.

Counselor Communication Form

In an effort to better serve & care for your child, we are encouraging parents/guardians to complete this form. Please share information you feel is relevant so counselors can provide the best possible experience for your child. Please feel free to call if you have any questions or concerns.

All information contained in this form is strictly confidential and will be shared only with camper's counselor. Please note that a health form is required for each camper in addition to this form.

Camper Information:

Camper Name: _____ ☐ Male ☐ Female DOB: _____
Camp Name: _____ Dates Attending: _____
Parent/Guardian Name: _____ Phone: _____

Personality traits:

Camper makes friends:
☐ Very Easily ☐ Easily ☐ Average ☐ Slowly

Comments: _____

Please describe camper's sleeping habits:
☐ Just fine ☐ Nightmares
☐ Light ☐ Bed Wets ☐ Heavy ☐ Sleep Walks

Comments: _____

Health Information:

Does camper have any allergic reactions to the following?
Food ☐ yes ☐ no

Comments: _____

Bee Stings ☐ yes ☐ no Comments: _____

Poison Ivy/Oak ☐ yes ☐ no Comments: _____

Medications ☐ yes ☐ no Comments: _____

*****ALL medications must be given to camp nurse at registration and will only be administered by camp nurse.***

I would like to share the following about my son or daughter (personality traits, fears, interests, specific habits, menstruation, etc.)

Please list any additional comments or concerns here:

Parent/Guardian Signature: _____ Date: _____

Camper Covenant Form

We ask that the Camper Covenant be read and signed by the camper and parent(s).

I, (print name of camper)_____ hereby agree:

- † To stay on Pine Springs' site during the entire camp session except when given permission by the Summer Camp Director or in the case of an emergency. You are required to stay from the time your parents/guardians drop you off at camp until the time you are picked up to go home.
- † That visitors are welcome at camp only at the time of arrival and pickup, but not during the camp session.
- † The following things are NOT allowed at camp, and I will NOT bring them: cell phones, video games, radios, cd players, dvd players, ipods, mp3 players, or any other electronic device; alcohol, illegal drugs, tobacco products, or any other illegal or banned substance; fireworks, firearms, knives, hatchets or anything considered to be a weapon; candy, gum or food of any kind; comic books or trading cards; provocative clothing (bikinis, loose tank tops and underclothing without proper coverage).
- † To remain in my cabin and on my bunk during rest time and after lights out unless otherwise given permission.
- † That it would be disruptive and distracting for any camper to make or receive phone calls during camp. In the event of an emergency, my family can contact me through the camp office at 814-629-9834.
- † That food and candy attract bugs and critters so these will not be mailed or brought with me. All campers receive daily 3 meals and a snack. Snacks and drinks may be purchased during pool time.
- † To give all medications, to the Camp Nurse, with dosage and prescribing doctor information, upon arrival.
- † To respect my counselors, my cabin mates, and all others that are involved in camp.
- † To take care of camp property by not littering, damaging or hurting God's creation.
- † I agree to follow ALL of the Pine Springs Camp COVID policies throughout my week of camp.
Including social distancing when needed and wearing my mask.

Our History...

The generous gift of Isabell Coffin – PINE SPRINGS FARM – to the Presbyterian Church in 1929, is the true beginning of what was to become a Redstone Presbytery youth camp nearly twenty years later. After years of planning and fund raising, construction of the camp began in February of 1948. That summer, 173 youth campers, 30 leaders and 15 church groups were led to the “Springs of Living Water” in the first season of PINE SPRINGS CAMP. Originally managed by the First Presbyterian Church of Johnstown, Pine Springs Farm became an active summer mission of the Presbyterian Church in the Laurel Highlands. In 1981, Redstone Presbytery welcomed the addition of Washington Presbytery as a cosponsor of this growing camping ministry. Since that time, the camp has grown in facilities, human resources and camper programs for the summer. This is the 60-year legacy of Isabell Coffin’s gift-PINE SPRINGS CAMP-where thirsty souls find springs of living water through life-changing encounters with Jesus Christ! Stuart Chapel, named for Joseph A. Stuart, the camp’s first director, stands today as a faithful witness to the mission that began half a century ago.

Driving Directions: Pine Springs is located in the beautiful Laurel Highlands of Somerset County. It is easily accessible from the Pennsylvania Turnpike (Somerset Exit), U.S. Route 30 East from Ligonier, or U.S Route 219 South from Johnstown. Pine Springs is about 1/2 mile north of the traffic light in Jennerstown, off of Route 985. Pine Springs is across from the Green Gables/Mountain Playhouse parking area.

From Pittsburgh:

Take the PA Turnpike East to exit 110-Somerset and drive North on 601 which then turns into 985 North. In Jennerstown cross route 30 and turn left across from the Green Gables Restaurant, look for Pine Springs Camp sign on left. The street address is 371 Pine Springs Camp Road.

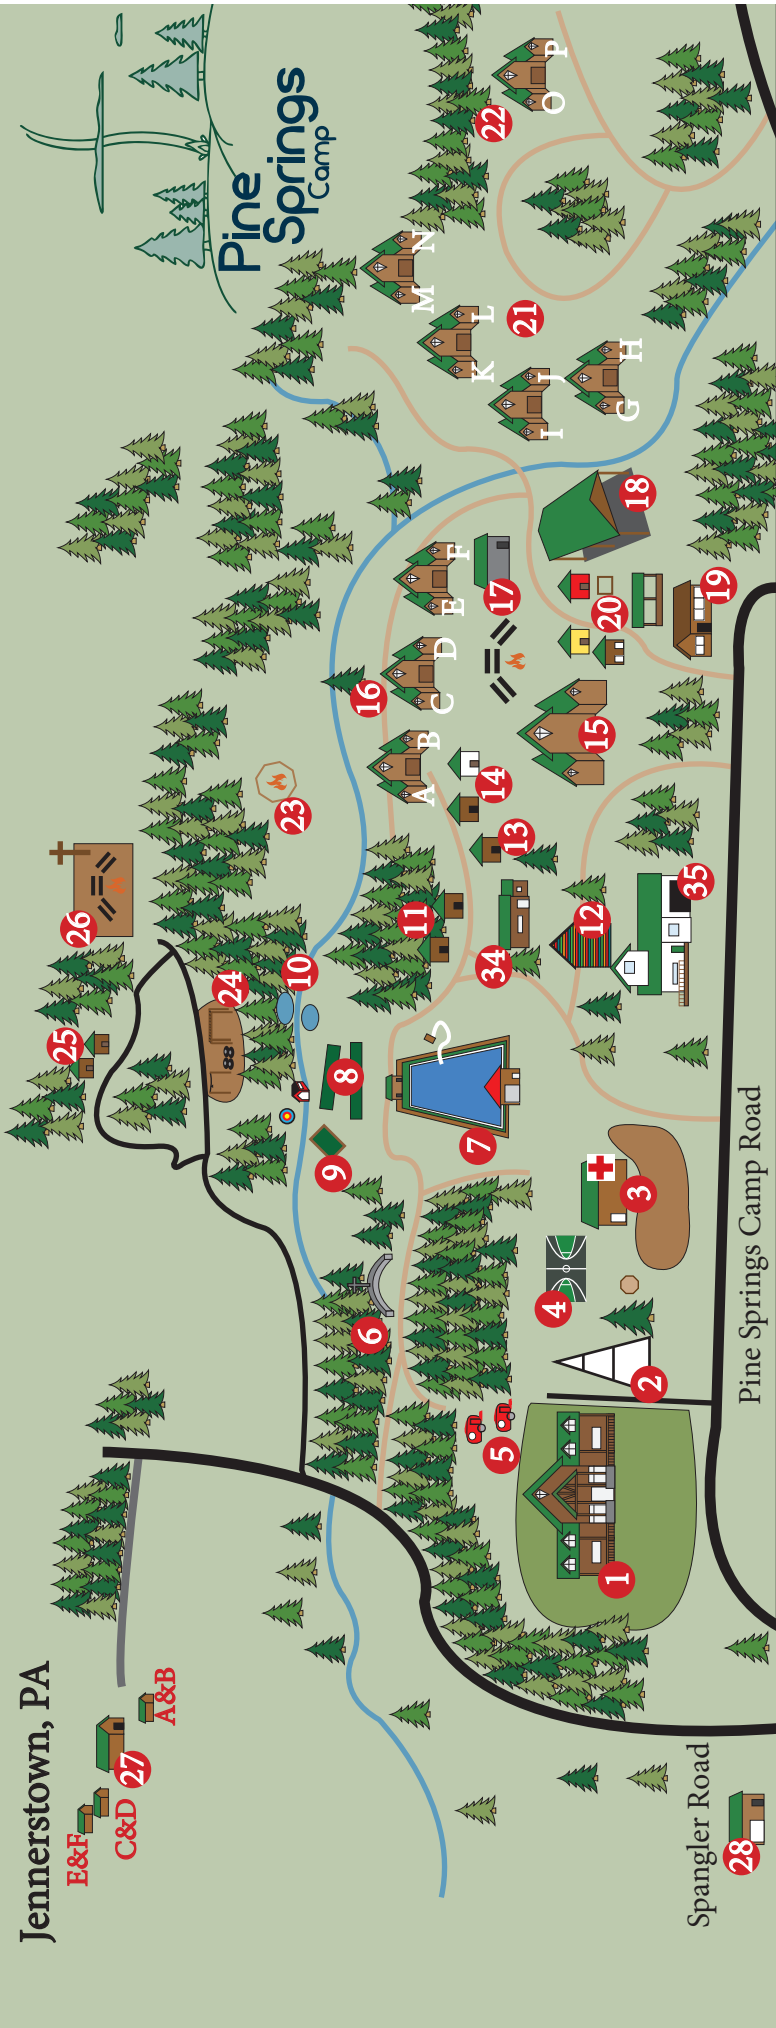

Pine Springs Camp is a ministry of Redstone and Washington Presbyteries
